A MONUMENT TO HONOR, COURAGE, AND COMMITMENT…

Currently under construction and scheduled to open in November 2006, the National Museum of the Marine Corps will be a lasting tribute to U.S. Marines – past, present and future. Situated on a 135-acre site adjacent to the Marine Corps base at Quantico, Virginia, the Museum's soaring design evokes the image of the flag raisers of Iwo Jima and beckons visitors to its 100,000 square foot structure. World-class, interactive exhibits using the most innovative technology will surround visitors with irreplaceable artifacts and immerse them in the sights and sounds of Marines in action. You can be a part of this extraordinary Museum, and mark for all time your patriotism and respect for Corps valor.
