

2018 Summer Camps!

June 18-21

Art Camp

Come dressed to get messy! Did you know the Marine Corps has had an art program since WWII? Learn from real Marine Corps artists in this hands-on camp. Painting, drawing, and more will be explored using a variety of fun techniques and mediums. (Ages 9-11)

June 25-28

Engineering (STEM) Camp

Marines use engineering skills every day as part of the land, air, and sea mission. Learn about flight, buoyancy, and the science behind every Marine's job. This camp involves fun and interactive hands-on activities utilizing critical thinking skills. (Ages 9-11)

July 23-26

Girls Rock History Camp

Spend the week with Felicity, Molly, Addy, and all their friends while you take a journey through Marine Corps history from 1775 to today. Explore STEM, history, art, games, hands-on activities, and more. Dolls welcome but are not required for attendance. (Ages 7-10)

July 30-Aug 2

Semper Fun Camp

Take a journey through Marine Corps history from 1775 to today. Games, hands-on activities, special guest presenters, crafts, STEM, and more. This camp is great for children who like variety and history. (Ages 7-9)

Registration Begins April 3, 2018, at 9am. Registration closes on June 1, 2018, at 5pm.

For more information on our camps and to register, visit our website at: www.usmcmuseum.com

All camps are **free** and are from 9am–Noon. Camp registration is on a first come - first served basis. Camps fill quickly! Electronic submission or in-person drop-off is highly recommended. Do not use postal mail. In order to serve the greatest number of children in our community, you may register your children for only one session of camp. Once registered, you will receive a confirmation and additional information via email. Your child is not registered if you do not receive a confirmation.

For more information or to submit registration materials, email Rebecca Super at helen.super@usmcu.edu
